2023 Stewardship of Gifts • Ebenezer Lutheran Church

During this season of stewardship, Ebenezer, as a community, continues to be **restored**: in faith, in service, in love. As our congregation and Community House continue to be restored to full, in-person and online offerings, we'd love to hear about how YOU are being restored in this place, and how your ministries can be restorative to others in the current year.

What is restoring you? How is God calling you to participate in restoration for the community?

- I like to keep things in good order! (Clean. Paint. Build. Repair. Organize)
- I can talk to anybody! (Greet and welcome. Host coffee hour. Staff Events.)
- I'm drawn to the sacramental aspects of worship! (Sing. Dance. Act. Bake. Set up communion. Read. Usher. Serve at the altar as Assisting Minister, Communion Assistant, Crucifer)
- I'm proud that Ebenezer has opened its doors to so many groups! (Connect with tenants. Set policies for building use)
- I love teaching / learning! (Teach children and/or adults. Read. Attend Bible study, retreat, confirmation)
- I'm passionate about serving the larger community! (Tutor. Feed. Defend. Protest.)
- I like to study, think, reflect, and pray! (Reflection. Intimate conversation. Prayer concerns.)

I plan to contribute:

- Weekly
- Semi-monthly
- Monthly
- In regular or irregular lump sums throughout the year

Over the course of 2023, I plan to contribute this total amount: \$ _____
